

Jr. Dairy Farmer Digital Scavenger Hunt Toolkit

Use the contents of this digital toolkit to create an interactive activity to help your students learn more about dairy and dairy farming.

Kit Contents

This kit includes the following downloadable materials you can use to set up a fun, educational activity for students in your school. Perfect as a classroom activity or for school events, FFA/Ag Education Days and dairy farm tours:

- 9 Dairy Farm Fact Signs in two sizes
 - 8-1/2"x11"
 - 11"x17"
- Scavenger Hunt Student Worksheet
- Scavenger Hunt Answer Key for Educators
- Sticker Template for Jr. Dairy Farmer Badges:
 - Use 1-1/4" x 2-3/8" Avery label sheets:
 - <https://www.avery.com/blank/labels/94227>

Activity Instructions

- Print out the nine fact signs in the size that works best for your activity/location.
- Make copies of the student worksheet in the quantity needed for your activity.
- Use sticker template to make enough Jr. Dairy Farmer badges to award to each student who completes the activity (optional).
- Hang or tape the 9 signs spread around a classroom, gym, hallway or other designated area.
- Give each student a copy of the Scavenger Hunt worksheet to complete or have them work in pairs to complete.
- Students will need to travel around the classroom to read each fact sign to complete the nine scavenger hunt facts.
- Students completing the scavenger hunt can be awarded with a Jr. Dairy Farmer badge (optional).
