FUEL UP WITH

SMOOTHIES
• made with real milk •
SMOOTHIES ARE AN EASY AND DELICIOUS WAY TO SPARK NEW INTEREST IN SCHOOL BREAKFAST AND LUNCH PROGRAMS.

Smoothies can be served as part of a reimbursable meal for both breakfast and lunch, with milk, yogurt and fruit components credited towards the student meal pattern requirements.

Smoothies provide a nutritional punch to help fuel students in a fun and simple way!

» Fruit contributes essential nutrients including fiber.

» Milk contains a powerful package of 13 essential nutrients, including calcium, protein, phosphorus, vitamin D, vitamin A and several B vitamins (riboflavin, B12, pantothenic acid and niacin).

» Yogurt provides healthy gut bacteria which promotes a healthy digestive system.

» Smoothies contain protein which builds and repairs muscle and helps students feel full.

» Smoothies work well in most food service models including but not limited to: Breakfast After the Bell, Breakfast in the Classroom, Grab n Go, and traditional cafeteria serving lines.
For a smoothie to be reimbursable, each serving must contain an amount of each food group that meets school meal pattern requirements.

For example, a smoothie served at the
**MIDDLE & HIGH SCHOOL**
(makes 10, 12-16 oz servings)
» 80 oz of milk,
» 20 oz of yogurt
» and 10 cups of pureed fruit
Credit as 1 cup of milk, ½ oz equivalent of meat/meat alternative and 1 cup of juice.

**ELEMENTARY**
(makes 10, 10-12 oz servings)
» 20 oz milk,
» 40 oz yogurt
» and 5 cups frozen fruit, pureed
Credit as 1 oz equivalent of meat/meat alternative and 1/2 cup of juice.

It is important to note that fruit is credited based on the volume after it is pureed and that only half of the fruit offerings per week may be in the form of juice. Record smoothies sold daily to help provide more accurate information on projected amounts to prepare each day.

*Check current USDA smoothie guidelines for most updated meal component crediting information.*
Smoothies can be easily made using the equipment you have in your kitchen. If smoothies are not served immediately, refrigerate at 41 degrees F or below. Smoothies can be made the day before serving, portioned, and held in the fridge overnight. They may also be held in the freezer if they need to be held longer than overnight. Tip: In order to meet the smoothie requirements, we recommend multiplying the amount of each required component by the desired number of servings to get the total amount of the ingredient needed per recipe.

**BEST PRACTICE TIPS:**

» Immersion blenders are more commonly used because of its efficiency and ability to produce large quantities at a time.

» Use a round mixing container instead of a square container to prevent ingredients from lodging in the corners. Some find using a container with a spigot useful for portioning into cups.

**HELPFUL HINTS:**

» Create smoothies in school colors

» Build layered smoothies to showcase different colors

» Celebrate with fun straws

» Serve smoothies in clear, plastic cups to maximize visual appearance

» Pair a smoothie with a whole grain option such as a bagel, cereal bar, or a muffin for a balanced meal

» Use chocolate milk for white milk to make additional flavor options.

» Add vegetables such as spinach or kale to provide a vibrant green color and big nutritional boost

» Offer smoothies not only for breakfast but during lunch too
1. Select choices of milk, yogurt and fruit.
2. Add optional extras.
4. Pour into desired portion cups and refrigerate at 41°F or below until service.

**YIELD: APPROXIMATELY 1-20 OZ SERVING**

Yogurt and fruit (breakfast and lunch) can be credited in smoothies prepared by program operators to meet meal pattern requirements. Fruit used in smoothies is credited as fruit juice and should be averaged over the week so as to comply with the 1/2 cup per day juice maximum. Vegetables are now a creditable component (minimum 1/8 cup required) in smoothies per USDA SP10 CACFP05 SFS10-2014 (v2)

- Fluid milk
  - 8 oz Fluid Milk (credit as 1 milk serving)
    - Fluid Milk
      - Unflavored Fat-free or Low-fat
      - Flavored Fat-free
      - Lactose-free

- Yogurt
  - 4 oz
    - (credit as 1 oz meat alternative component)
      - Yogurt, Low-fat
        - Plain
        - Vanilla
        - Fruit-flavored
        - Greek-style

- Extras (optional)
  - Nuts
    - Almonds
    - Cashews
    - Walnuts
  - Vanilla
  - Cinnamon
  - Chocolate syrup
  - Instant, non-fat dry pudding mix
  - Oats or oatmeal
  - Ground flax seeds
  - Spinach
  - Nutmeg
  - Cocoa powder

- Fruit
  - 1 cup total
    - (credit as juice not more than 50% of weekly offerings)
      - Bananas
      - Berries
        - Blueberries
        - Raspberries
        - Strawberries
      - Cherries, pitted
      - Kiwi
      - Mango
      - Melons
        - Cantaloupe
        - Honeydew
      - Papaya
      - Peaches
      - Pineapple

  - Use frozen for best consistency.

*Extra ingredients add calories so recommend limiting to 1 or 2 items from this list.
Each recipe makes 10 smoothies

**THE GREEN MONSTER SMOOTHIE**

**MIDDLE/HIGH SCHOOL PORTION (1 CUP SERVING)**
- 5 cups low-fat vanilla yogurt
- 10 cups low-fat milk
- 5 medium pureed bananas
- 10 cups thawed pureed frozen peeled apple slices
- 5 cups packed baby spinach

**ELEMENTARY SCHOOL PORTION (1/2 CUP SERVING)**
- 5 cups low-fat vanilla yogurt
- 5 medium bananas
- 5 cups thawed pureed frozen peeled apple slices
- 1 ¼ cups packed baby spinach

Each serving credits as ½ C juice and 1 oz equivalent of meat alternate.

**TROPICAL SMOOTHIE**

**MIDDLE/HIGH SCHOOL PORTION (1 CUP SERVING)**
- 10 cups low-fat milk
- 5 cups pureed frozen pineapple and mango, mixed
- 2½ medium pureed frozen bananas
- ¾ cups + 1 TBSP orange juice
- 5 cups low-fat vanilla yogurt

**GET THE WORD OUT!**

**GET STUDENTS EXCITED ABOUT THE SMOOTHIES WITH THESE IDEAS:**

<table>
<thead>
<tr>
<th></th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>1</strong></td>
<td>Have smoothie tastings to introduce students to new flavors and generate excitement.</td>
</tr>
<tr>
<td><strong>2</strong></td>
<td>Advertise new smoothies using a banner displayed by highly populated areas such as the front doors or bus entrance, highlighting which days smoothies will be served.</td>
</tr>
<tr>
<td><strong>3</strong></td>
<td>Post signs throughout the school to highlight smoothies. Post in creative places.</td>
</tr>
<tr>
<td><strong>4</strong></td>
<td>Promote smoothies during your school announcements.</td>
</tr>
<tr>
<td><strong>5</strong></td>
<td>Design a smoothie recipe contest with students and teachers.</td>
</tr>
<tr>
<td><strong>6</strong></td>
<td>Work with your school paper or website to promote smoothies; also consider posting in school newsletter.</td>
</tr>
<tr>
<td><strong>7</strong></td>
<td>Utilize your social media accounts to let students and parents know about the new offerings.</td>
</tr>
<tr>
<td><strong>8</strong></td>
<td>Encourage students to post favorite smoothie photos and/or recipes and tag the school nutrition department.</td>
</tr>
<tr>
<td><strong>9</strong></td>
<td>Prepare holiday or season specific recipes: use red fruits for Valentine’s Day, spinach for St. Patrick’s Day, or pumpkin for Halloween.</td>
</tr>
<tr>
<td><strong>10</strong></td>
<td>Create a smoothie recipe and name that reflects your school’s spirit i.e. name after school mascot.</td>
</tr>
<tr>
<td><strong>11</strong></td>
<td>Survey students and staff to rank their favorite flavors, then share on social media and at school.</td>
</tr>
<tr>
<td><strong>12</strong></td>
<td>Utilize punch cards to encourage frequent smoothie purchases and offer a reward to students who complete a punch card.</td>
</tr>
</tbody>
</table>
It is important to market and promote your smoothies, just as much as picking popular flavors that students will like. Here are a couple sample messages to include for the promotion.

**MORNING ANNOUNCEMENTS**
